Colours are representative only, mock-ups and field test areas are required in order to validate performance and appearance relate characteristics as intended for use.

Questa cartella colori è solo di riferimento. È sempre consigliabile realizzare un campione in aree di prova (Mock-up) da individuare sul cantiere per convalidare le prestazioni e l'aspetto del sistema come auspicato per l'uso previsto.

Des maquettes et des zones d'essai sur le terrain sont nécessaires pour valider les caractéristiques relatives à la performance et à l'apparence.

Atrappen und Feldversuchsbereiche sind erforderlich, um die leistungs- und erscheinungsbezogenen Eigenschaften zu bestätigen.
