LIMITED WARRANTY
Subject to the conditions and limitations stated below, LATICRETE International, Inc. ("LATICRETE") warrants that the products listed on this document will be free from manufacturing defects and will not break down or deteriorate under normal usage for a period of twenty-five (25) years from the date of purchase when installed in accordance with the written specifications of LATICRETE and industry standard guidelines. For this limited warranty to apply, the applications that comprise the installation must be performed with the products listed in this document for each application (refer to chart). Please refer to individual product data sheets for specific guidelines.

Notwithstanding the previous paragraph, exterior facades with ceramic tile, stone, adhered masonry veneer, or thin brick installed over substrates with steel or wood framing do not qualify for this limited warranty—see Data Sheet 230.15 for such applications. Notwithstanding the previous paragraph, ceramic tile, stone or quarry/packing house tile installed in commercial and industrial kitchens do not qualify for this limited warranty—see Data Sheet 230.10G for such applications.

DISCLAIMER
THIS LIMITED WARRANTY IS GIVEN IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED. THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES BASED ON SAMPLES OR ORAL STATEMENTS, WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE OF THIS DOCUMENT. IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE ARE EXCLUDED.

EXCLUSIVE REMEDY
The sole and exclusive remedy for a breach of this limited warranty is replacement of only the specific portion of the installation that is proven to be defective**. LATICRETE will pay for replacement of its own products and replacement of finishing materials, as well as for labor for the replacement installation, but LATICRETE will not pay more, calculated on a square-foot (square-meter) basis, for the replacement than the original purchase price of the portion being replaced. LATICRETE will not pay for replacement of any portion of the installation that is not proven to be defective. In the event that the sole and exclusive remedy described above fails of its essential purpose, the liability of LATICRETE is limited to the monetary value, on a square-foot (square-meter) basis, of the original purchase price of the portion being replaced.

**NOTE: Efflorescence is a normal condition of portland cement mortars and is not a defective condition.

EXCLUSIONS
LATICRETE is not responsible for workmanship not in accordance with the instructions of LATICRETE and industry standard guidelines. Cracking due to structural movement, excessive deflection or other failure in the substrate is also not covered.

LATICRETE is not liable for any incidental damages or consequential damages, including losses due to delays, incurred by the purchaser or any other party.

NO ASSIGNMENT
This limited warranty is non-transferable and assignable.

HOW TO MAKE A CLAIM
To make a claim under this limited warranty, you must notify LATICRETE in writing within thirty (30) days of the discovery of the alleged manufacturing defect. At the option of LATICRETE, you may be required, as a condition of this limited warranty, to provide proof of product purchase and use.

Address your claim to:

† Use of suitable flexible sealant is required per Tile Council of North America Detail EU111 for use in expansion joints, coves, corners, changes in plane and other joints or wherever tile or stone abuts dissimilar materials or restraining surfaces.

‡ 4-XLT for use to install HYDRO BAN® Pre-Sloped Shower Pans to substrate only.

§ A Floor Warming Thermostat and STRATA_HEAT® Thermostat sold by LATICRETE International, Inc., warrants parts and materials for one (1) year from the date of purchase. The sole remedy for the Floor Warming Thermostats and STRATA_HEAT Thermostats is product replacement (see DS 230.13 for full details on the LATICRETE Product Warranties).

∥ 14-XLT with STRATA_HEAT Thermal Packs when used as a large & heavy tile adhesive mortar.
