LIMITED WARRANTY

Subject to the conditions and limitations stated below, LATICRETE INTERNATIONAL, INC. ("LATICRETE") warrants that the products listed on this document will be free from manufacturing defects and will not break down or deteriorate under normal usage for a period of three (3) years from the date of purchase when installed in accordance with the written specifications of LATICRETE and industry standard guidelines. For this limited warranty to apply, the applications that comprise the installation must be performed with the products listed in this document for each application (refer to chart). This warranty excludes installation over any substrate other than concrete, submerged, and exterior applications. Please refer to individual product data sheets for specific guidelines.

DISCLAIMER

THIS LIMITED WARRANTY IS GIVEN IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED. THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES BASED ON SAMPLES OR ORAL STATEMENTS, WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE OF THIS DOCUMENT. IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE ARE EXCLUDED.

EXCLUSIVE REMEDY

The sole and exclusive remedy for a breach of this limited warranty is replacement of only the specific portion of the installation that is proven to be defective**. LATICRETE will pay for replacement of its own products, as well as for labor for the replacement installation, but LATICRETE will not pay more, calculated on a square-foot (square-meter) basis, for the replacement than the original purchase price of the portion being replaced. LATICRETE will not pay for replacement of any portion of the installation that is not proven to be defective.

In the event that the sole and exclusive remedy described above fails of its essential purpose, the liability of LATICRETE is limited to the monetary value, on a square-foot (square-meter) basis, of the original purchase price of the portion being replaced.

EXCLUSIONS

****Note:** Efflorescence is a normal condition of portland cement mortars and is not a product defective.

LATICRETE is not responsible for workmanship not in accordance with the instructions of LATICRETE and industry standard guidelines. Cracking due to structural movement, excessive deflection, or other failure in the substrate is also not covered.

Maintenance – the long term performance, appearance and life expectancy of the wear surface system are critically dependent on a routine maintenance program designed for the installed decorative surface, specific conditions of the installation location, and other conditions which are beyond the control of LATICRETE.

LATICRETE IS NOT LIABLE FOR ANY INCIDENTAL DAMAGES OR CONSEQUENTIAL DAMAGES, INCLUDING LOSSES DUE TO DELAYS, INCURRED BY THE PURCHASER OR ANY OTHER PARTY.

NO ASSIGNMENT

This limited warranty is not transferable or assignable.
