**LIMITED WARRANTY**

Subject to the conditions and limitations stated below, LATICRETE INTERNATIONAL, INC. ("LATICRETE") warrants that the products listed on this document will be free from manufacturing defects and will not break down or deteriorate under normal usage for a period of thirty (30) years from the date of purchase when installed in accordance with the written specifications of LATICRETE and industry standard guidelines. For this limited warranty to apply, the applications that comprise the installation must be performed with the products listed in this document for each application (refer to chart). Please refer to individual product data sheets for specific guidelines.

Notwithstanding the previous paragraph, exterior facades with ceramic tile, stone, adhered masonry veneer, or thin brick installed over substrates with steel or wood framing do not qualify for this limited warranty—see Data Sheet 230.15 for such applications.

---

**DISCLAIMER**

This limited warranty is given in lieu of any other warranty, express or implied. There are no warranties, express or implied, including warranties based on samples or oral statements, which extend beyond the description on the face of this document. Implied warranties of merchantability and of fitness for a particular purpose are excluded.

---

**EXCLUSIVE REMEDY**

The sole and exclusive remedy for a breach of this limited warranty is replacement of only the specific portion of the installation that is proven to be defective**. LATICRETE will pay for replacement of its own products and replacement of finishing materials, as well as for labor for the replacement installation, but LATICRETE will not pay more, calculated on a square-foot (square-meter) basis, for the replacement than the original purchase price of the portion being replaced. LATICRETE will not pay for replacement of any portion of the installation that is not proven to be defective.

In the event that the sole and exclusive remedy described above fails of its essential purpose, the liability of LATICRETE is limited to the monetary value, on a square-foot (square-meter) basis, of the original purchase price of the portion being replaced.

**NOTE:** Efflorescence is a normal condition of Portland cement mortars and is not a defective condition.

---

**EXCLUSIONS**

LATICRETE is not responsible for workmanship not in accordance with the instructions of LATICRETE and industry standard guidelines. Cracking due to structural movement, excessive deflection or other failure in the substrate is also not covered.

LATICRETE IS NOT LIABLE FOR ANY INCIDENTAL DAMAGES OR CONSEQUENTIAL DAMAGES, INCLUDING LOSSES DUE TO DELAYS, INCURRED BY THE PURCHASER OR ANY OTHER PARTY.

---

**NO ASSIGNMENT**

This limited warranty is not transferable or assignable.

---

**HOW TO MAKE A CLAIM**
